INDEX TO VOLUME 3

Age determination in quail, 261
Allen, Arthur A. Obituary of Stuart Taylor Danforth, 279–280
Allen, Durward L.
  Michigan cottontails in winter, 307–322
  Winter habits of Michigan skunks, 212–228
Anemia, Sickle-cell, 14, 17

Barrows, Maynard B. Elimination of yellow perch from a lake by use of derris root, 131–133
Bass, Neil. [TVA policies relative to wildlife], 78–80
Baumgartner, Luther L. and A. C. Martin. Plant histology as an aid in squirrel food-habit studies, 266–268
Beadel, H. L. Hawks vs. quail on quail preserves, 42–45
Beaver, ecology, 56
Behney, William Hudson, obituary, 144
Bennitt, Rudolf, Chairman. Report of the Committee on Professional Standards, 153–155
Bissonnette, Thomas Hume and Albert George Csech. Pheasants activated by night-lighting return to normal nesting, 26–30
Blake, James. See Hamerstrom, F. N., Jr., and —, 54–59
Blood, studies of in deer, 14, 17
Bobcat, food habits, Vermont, 99
Bob-white
  grit requirements, 31
  hawks in relation to, 42
Bond, Richard M. Coyote food habits on the Lava Beds National Monument, 180–198
Bradbury, Harold M. Management of apple trees in Massachusetts, 240–242
Brown, C. J. D. and Charles Buck, Jr. When do trout and grayling fry begin to take food?, 134–140
Browse, thinning for, 201
Buck, Charles, Jr. See Brown, C. J. D., and —, 134–140
Bump, Gardiner, Chairman. Report of the Membership Committee for the period February 14, 1938–February 13, 1939, 150–152
Burroughs, R. D. An analysis of hunting records for the Prairie Farm project, Saginaw County, Michigan, 1937, 19–25

Cahalane, Victor H.
  The evolution of predator control policy in the national parks, 229–237
  Minutes of the third annual meeting at Detroit, Mich., February 13, 1939, 166–168
  Report of the Secretary for the year ending with the third annual meeting, February 13, 1939, 147–148
Carrying capacity, winter range, Yellowstone, 297
Census
  creel, Wisconsin lakes, 243
  fox, red, Iowa, 92
  skunk, striped, Iowa, 92
Census methods
  bait line, 199
  dove, mourning, 323
  fox, red, 92
  Microtus, 199
  skunk, striped, 92
Chapman, Floyd B. Use of chemical sprays to increase yields of fruits utilized by wildlife, 141–143
Chase, Warren W. Report of the Treasurer for the calendar year 1938, 149
Chemical sprays to increase yields of wild fruits, 141
Clemens, W. A. See Munro, J. A., and —, 46–53
Climbing, tree, use of rope, 329
Control
  fish predators, 169
  perch, yellow, by derris root, 131
  predators in national parks, 237
  predators in relation to ruffed grouse populations, 345
Control, by electric fence
  antelope, 3
  bear, 3
  buffalo, 4
  cat, 4
  coyote, 4
  deer, 4
  elk, 6
  livestock, 8

rabbit, 8
raccoon, 8
Control devices
electric fence, 1
noise makers, 173
pole traps, 10, 175
scares, 172
screens, 8, 170
traps, 174, 176
wires, 171
Cook, David B. Thinning for browse, 201–202
Coot in relation to duck populations, 339
Correspondence, 78–80
Cottontail, winter habits, Michigan, 307
Cover, essay on nature of, 332
Csech, Albert George. See Bissonnette, Thomas Hume, and —, 26–30
Cycles
grouse, ruffed, 203
hare, snowshoe, 203
Cysticercus pisiformis in cottontail, 258

Danforth, Stuart Taylor, obituary, 279
Davis, George W. Obituary of William Hudson Behney, 144
Destruction of wildlife, higway, 104
Dickerson, L. M. The problem of wildlife destruction by automobile traffic, 104–116
Disease
fibroma in deer, 360
Plasmodium in sharp-tailed grouse, 361
Staphylococcus albus in cottontail, 319
Dougherty, R. W. Sickle cells in the blood of western deer, 17–18
Duck populations, brood numbers, 342

Echinococcus granulosus, in wildlife, 255
Edminster, Frank C.
The effect of predator control on ruffed grouse populations in New York, 345–352
Professional standards report, 153
Eider, American, clutch sizes, 70
Electric fence in wildlife management, 1
Electrical shock, treatment, 12
Elm, utilization of by gray squirrel, 358
Elton, Charles. On the nature of cover, 332–338
Embody, George Charles, obituary, 280
Emlen, John T., Jr. Seasonal movements of a low-density valley quail population, 118–130
Employment service, 80, 146, 282
Errington, Paul L.
Professional standards report, 153
Publication standards in wildlife management, 162–165

Fibroma in deer, 360
Food habits
beaver, 56
bobcat, 99
cottontail, 309
coyote, 181
deer, white-tailed, 201
grayling fry, 134
merganser, red-breasted, 46
muskrat, 56
squirrel, fox, 117
squirrel, gray, 358
squirrel, technique, 266
trout, fry, 134
Food patches, experimental, Wisconsin, 60
Frey, David G., Hubert Pedracine, and Lawrence Vike. Results of a summer creel census of lakes Waubesa and Kegonsa, Wisconsin, 243–254.
Fur study technique, 54

Goff, Carlos Clyde, obituary, 281
Grebe, Holboell's, in relation to duck populations, 339
Greffenius, R. J. A method for determining the relative abundance of Microtus pennsylvanicus, 199–200
Grimm, Rudolf L. Northern Yellowstone winter range studies, 295–306
Grinnell, Joseph, obituary, 366
Grit, requirements of game birds, 31
Grouse, sharp-tailed, sex determination, 283

Hall, E. Raymond. Obituary of Joseph Grinnell, 366–368
Hamerstrom, F. N., Jr. and James Blake. A fur study technique, 54–59
Hamilton, W. J., Jr. and Russell P. Hunter. Fall and winter food habits of Vermont bobcats, 99–103
Harvesting
cottontails, 22
pheasants, 22
Hawks vs. quail, 42
Hicks, Lawrence E. Membership Committee report, 150
Highway destruction of wildlife, 104

Histology, plant, as an aid in food-habit studies, 266
Honess, Ralph F. A freak deer head, 360
Hoover, Earl E. Age and growth of brook trout in northern breeder streams, 81–91
Hoover, Earl E., obituary, 74
Holt, Ernest G. Review of "Wildfowl food plants: Their value, propagation, and management," by W. L. McAtee, 74–76
Hubbs, Carl L.
Obituary of Earl E. Hoover, 74
Obituary of John Nicholas Lowe, 144
Professional standards report, 153
Hubbs, Laura C. Obituary of Carlos Clyde Goff, 281
Hunter, Russell P. See Hamilton, W. J., Jr., and —, 99–103
Hunting records, Prairie Farm, Michigan, 19
Hydatids, in wildlife, 255

Jones, John C. On the occurrence of lead shot in stomachs of North American Gruiformes, 353–357

King, Ralph T. Professional standards report, 153
Komarek, E. V. Membership Committee report, 150

Lagler, Karl F. The control of fish predators at hatcheries and rearing stations, 169–179
Lead shot in stomachs of Gruiformes, 353
Leopold, Aldo
Academic and professional training in wildlife work, 156–161
Professional standards report, 153
Leopold, Aldo, Ellwood B. Moore, and Lyle K. Sowls. Wildlife food patches in southern Wisconsin, 60–69
Leopold, A. Starker. Age determination in quail, 261–265
Lewis, Harrison F. Size of sets of eggs of the American eider, 70–73
Life histories
cottontail, 307
dove, mourning, 323
skunk, 212
Loon in relation to duck populations, 339
Lowe, John Nicholas, obituary, 144

Management
apple trees, 240
skunk, 225
Manweiler, J. The combined weight class—rectrix pattern method for determining sex of sharp-tailed grouse, 283–287
Marking birds by imping feathers, 238
Martin, A. C. See Baumgartner, Luther L., and —, 266–268
Mast, Dewey Richmond, obituary, 368
McAtee, W. L.
The electric fence in wildlife management, 1–13
Obituary of John Charles Phillips, 144–145
Review of his book, "Wildfowl food plants: Their value, propagation, and management," 74
Review of "Trout streams," etc., by Paul R. Needham, 74
McCann, Lester J. Studies of the grit requirements of certain upland game birds, 31–41
McClure, H. Elliott
Cooing activity and censusing of the mourning dove, 323–328
A method of tree climbing, 329–331
Merganser, red-breasted, food habits, British Columbia, 46
Moffitt, James. Membership Committee report, 150
Moore, Ellwood B. See Leopold, Aldo, and —, 60–69
Morse, Marius. A local study of predation upon hares and grouse during the cyclic decimation, 203–211
Moss, A. E. Relation between take of upland game and agricultural land use in Connecticut, 269–278
Munro, J. A. The relation of loons, Holboell's grebes, and coots to duck populations, 339–344
Munro, J. A. and W. A. Clemens. The food and feeding habits of the red-breasted merganser in British Columbia, 46–53
Muskrat, ecology, 56

Notes, 76–77, 145, 369–370

Obituaries, 74, 144–145, 279–281, 366–369
Officers, committees, and members of The Wildlife Society 1939 (Supplement following p. 168)
Otter, ecology, 57

Parasites
Cysticercus pisiformis, 258

Echinococcus granulosus, 255
hydatids, 255
Plasmodium infective to grouse and other birds, 361
Taenia pisiformis, 258
Pedracine, Hubert. See Frey, David G., and —, 243–254
Perch, yellow, elimination by derris root, 131
Pheasant
egg laying advanced by night-lighting, 26
grit requirments, 31
harvesting, 22
Phillips, John Charles, Obituary, 144
Photoperiodicity, sexual, experimental control of, 26
Predation
on hares and grouse, 203
on ruffed grouse, 345
Predator control
in national parks, 229
in relation to ruffed grouse populations, 345
Predators, at fish hatcheries, 169
Prod poles, 10
Propagation, pheasant, irradiation results, 26

Quail, age determination, 261
Quail, valley, seasonal movements, 118

Reports
Membership Committee, 150
minutes, third annual meeting, 166
Professional Standards Committee, 153
Secretary, 147
Treasurer, 149
Reviews, 74–76
Riley, William A. The need for data relative to the occurrence of hydatids and of Echinococcus granulosus in wildlife, 255–257
Ruff, Frederick J. Trapping penned deer, 288–294
Ruhl, H. D. Professional standards report, 153

Scott, Thos. G. and Lyle F. Selko. A census of red foxes and striped skunks in Clay and Boone Counties, Iowa, 92–98
Selko, Lyle F. See Scott, Thos. G., and —, 92–98
Sex determination, sharp-tailed grouse, 283
Sickle cells in blood, 14, 17
Skunk, winter habits, Michigan, 212
Sowls, Lyle K. See Leopold, Aldo and —, 60–69
Squirrel, fox, utilization of Osage orange, 117
Stevens, Ross O. Obituary of Dewey Richmond Mast, 368–369
Stocking fishes, Wisconsin lakes, 252
Stoddard, Herbert L. Professional standards report, 153

Taenia pisiformis in cottontail, 258
Take of upland game in relation to land use, 269
Taylor, Walter P. Professional standards report, 153
Terres, J. Kenneth. Gray squirrel utilization of elm, 358–359
Trapping deer, 288
Trout, brook, growth in northern streams, 81
TVA policies relative to wildlife, 78

Van Dersal, William R. Membership Committee report, 150
Vike, Lawrence. See Frey, David G. and ——, 243–254

Wetmore, Psyche W. A species of plasmodium from the sharp-tailed grouse infective to other birds, 361–365
Whitaker, H. L. Fox squirrel utilization of Osage orange in Kansas, 117
Whitlock, S. C.
Studies on the blood of white-tailed deer, 14–16
Infection of cottontail rabbits by Cysticercus pisiformis (Taenia pisiformis), 258–260
Winter range studies, Yellowstone, 295
Wright, Albert Hazen. Obituary of George Charles Embody, 280–281
Wright, Earl G. Marking birds by imping feathers, 238–239
